OH YEAH I WAS DEFINITELY INTO

a vermillion costume.....mourning clothes and accessories
making.....a garment
regardless of..... the cutter's chalkings
not such a fool.....as I appear to be

BUT IF I EVER

could take.....the slack of my belly and
wipe..... my eyes with it
say it.....again
of a knife.....that is blunt
give hard.....for soft
odds.....and ends

NO I'M VERY AWARE

the hottest..... summer
work..... paid for
but still.....to be done
a nice name.....to go to bed with

NEXT MONTH
